

مدرسة الظاهر للشراكات التعليمية  
AL DHAHER CHARTER SCHOOL

**Week: 9**

**Date: 23 /10/2023**

**Grade: 6**

**Subject: English Language**

**Domain: Vocabulary**

**Topic: Connect**

AY: 2023 – 2024  
Term: 1

Mr. Abdallah Jalal  
Period:

**Standard: RL.6.4.**

**TOPIC: Connect - Space exploration 2**

**Learning Objectives:**

- Student will identify the new vocabulary.
- Students will generate sentences by using new vocabulary, (speaking and writing).

**Essential Question:**

- What can we learn from others?

Starter → Discussion → Guided Practice → Independent Practice (Individual Work) → Plenary

**Listen again and read Alef Video Lesson 30:**

What can we **learn** from others? Think about what makes you **special**? Maybe you can write amazing stories, maybe you have been playing **soccer** for years, maybe you can solve math problems in seconds. These are all **skills** and **talents** that you have. **Everyone** has skills and talents. Have you ever taught someone something? Maybe you showed a friend how to make your favorite meal, maybe you showed your parents what you learned in school. These are things others can learn from you. What have you learned from others? Everyone has **different** skills and talents. We can learn something from everyone. You learn things from your teachers and your parents, maybe you learned about a book your friend read, maybe you learned words in a different language. These are all ways we can learn from others.
